DOCAL PTEMS

"The raily it valuetly every day," the weary ownshift say. 24 It makerte my mendow groce to grow," chimeth the granger gry.

Mr. F. T. Lenenan, ross in London, very 30, when first from from. If is dispersix log-laudes at the feet of Fort Street.

have on the way to his Lumilon publishers,

informable reports touching the health of this port. Mrs. Robert Stitling have been recently received. A detter which came by the Austrains was in the encouraging.

The Secremento Union says : 11 Mr. Dagger has saved his reputation. He denies that I is the author of the drama "On the Vellowstone," Which Mr. Daguett, please 7. The following are the officers elect of the

Daily Hawaiian Publishing Company : Mesors, Duniel Lyons, president and manager | S. M. Wherman, treasurer: W. G. Ashley, secretary, Mr. P. C. Jones, It, recently return

men San Francisco, will lead the gospel temperance meeting at the Bethel lecture room his evening, and will, doubtless, have some hing fresh to say on an always timely topic. Several Japanese youths passed here on the Tokin last Tuesday. Six of them are bound

for Anapolis, where they expect to remain seven years persaing naval studies - navigation gunnery and the like. Others among the umber will go to England. Mr. P. C. Jones, Jr., will have one of th

most comfortable looking homes in Honolul when his new residence on Nauanu street makai the residence of Captain Mist, shall b completed-which ought not to take longe than exty days further,

In May of last year, Mr. David Grahan Adee wrote and set to unsic some verses, en titled the Kearsarge and Alabama, a copy the reading—the first status, being as follows:

Our flag wrong bold from the old Knaruarge As we trade at the mount of the Scheldt — While out at wa, on the ocean's marge lish Sandowy sail nor shustory traces fluorided the rices as a belt.

Mr. J. R. Morrill, port surveyor, witness Mr. Pfluger's burge came alongside the whari t contained several Japanese first-class passet gers, who had not tearned English evidently In order to obtain desired information the wrote their questions in Chipese characters Chinese who happened to be on the whori and were answered in like manner. It was very clear that the Japanese were able to write language they could not speak.

Mr. R. W. Laine has loaned this office opy of "Echoes from Hospital and White House," a record of the war time experience of Mrs. Rebecca R. Pomroy, who was one of the most devoted of the nurses in attendar upon the Federal army. On April 12th, wil be a printed supplement largely devoted t G. A. R. and kindred tonics. At least, one original paper has been promised, and one of more extracts from Miss Anna L. Boyden' book about Mrs. Pomroy will be given.

Which Is Right?-the opinions of two or the writer's knowledge, there are well-to-d follow Handbild who would like to see wealth limited-fortunes kent below one or two millions. IMPORTS

The attitude of Switzerland is said to be a serious disappointment to Hismarck, and, it is believed, will eventually cause the abandon-ment of the proposed confederation, which would be impracticable so long as Switzerland offered a harbor to anarchists.

There is some prospect of a concert troupe coming here in July. Whether it comes or not, will depend on the amount of subscriptions that can be raised here. Manager Allison, of Sydney, has engaged the celebrated violinist Remenyi, who, with five other people, will probably leave San Francisco late in June. Mr. Allison told Judge Bickerton and other citizens of Honolulu that, provided a reasonable subscription would be raised, the troupe would be allowed to come on the Mariposa or Alameda, and remain here two SATURDAY, MARCH 29

weeks. Mr. C. J. Fishel announces a grand open of millinery goods the early part of next week when everybody's "sister, or their cousin, or their aunt? will be dealt with liberally.
